Chapter 13. State Responsibility Area Fees

14 CCR § 1665.8

§ 1665.8. Grant Program.

(a) When funds are appropriated by the Legislature for this purpose, the Board shall administer the Fire Prevention Fund Grant Program from the Fees collected. Grants shall be awarded to organizations providing fire prevention activities, including, but not limited to those specified below, that benefit the owners of structures within the State Responsibility Area (SRA).

- (1) Public education, including defensible space inspections, to reduce fire risk in the SRA.
- (2) Creation of strategic wildfire planning documents, such as a Community Wildfire Protection Plan (CWPP).
- (3) Create or maintain fuelbreaks.
- (4) Remove ladder fuels to reduce the risk of crown fires and the production of flying embers that can cause spot fires during wildfire activity.
- (5) Reduce fuel loading in critical locations to reduce wildfire intensity and rate of spread.
- (6) Community level fire prevention programs such as community chipping days, roadside chipping, and green waste bin programs.
- (7) Modify vegetation adjacent to roads to provide for safer ingress and egress of evacuating residents and responding emergency personnel during wildfire activities.
- (8) Reduce fuel loading around critical community infrastructure, including, but not limited to, domestic and municipal water supplies, powerlines, and communications facilities.
- (9) Other activities designed to reduce fire risk to structures in the SRA. These will need to explain the projects' benefit to structures within the SRA.

(b) Grants shall be distributed commensurate with the amount collected from owners within the SRA. In order to allow for strategic, large projects to occur, proportional distribution of funds will be measured over the following spatial and temporal scales.

- (1) The Cal Fire Unit shall act as the geographic boundaries when accounting for fire prevention fees received and project expenditures.
- (2) Expenditures over a ~~5-7~~ year period from this Grant program in any Cal Fire Unit will be proportional to the amount of ~~moneys received~~fees collected from that Cal Fire Unit, and the amount appropriated by the Legislature for these purposes.
- (3) Funding will be determined to have been distributed proportionally if it is within 10% of the calculated benefit amount determined in subsection (2) above.

(c) Grant will only be awarded in Counties that contain SRA. The following organizations shall be eligible to participate in Fire Prevention Fund Grant Program specified above.

- (1) Counties.
- (2) Local Agencies or Special Districts, such as Fire Protection Districts or Resource Conservation Districts.
- (3) Fire Safe Councils
- (4) The California Conservation Corps or other certified local conservation corps.
- (5) Qualified non-profit organizations with a demonstrated ability to satisfactorily plan, implement, and complete the proposed fire prevention project.

(d) Grant applications shall be submitted on a form adopted, and revised periodically, by the Board and include all the required information specified on that form, inclusive of any required attachments. Projects shall be evaluated and grants shall be awarded based solely on information required to be included with the application.
